Success at Junior National Indoor Championships

Cleve Juniors, **Will Hardy** and **Marco Costanza** capped-off an excellent year's archery for the Junior club by both finishing in 3rd places in their respective age categories at this year's Junior National Indoor Championships held in Warwickshire. Will, shooting in the Boys U12 recurve category, had already finished in 3rd place at the Outdoor National Championships earlier in the year and has now added a podium finish Indoors to his collection of achievements this year. Marco also finished 3rd in the Boys U14 recurve category and comes a few months after being re-selected for Archery GB's National Academy programme. Well done to both of you !

Also shooting at JNIC this year were **Sophia Boulton** (5th in Girls U14 compound), **Jasmin Williams** (7th in Girls U16 compound), **Ella Shield** (15th in Girls U14 recurve) and **Josh Smith** (18th in Boys U18 recurve). Well done to all of you as well.

Will Hardy on the medal podium !

The day after the Junior, event, **Marco Costanza** also entered the Senior National Indoor Championships taking on archers a few years his elder. To his credit, out of 134 entrants, Marco finished 86th in the Gents Recurve section.

Other Tournament Entries

Cleve compound shooter, **Adam Shaw**, made it through to the last 4 at Archery GB's Back2Back competition held on the first day of the National Indoor Championships where he was narrowly beaten by the eventual winner.

On 3rd December **David Mortimer** entered a Double Worcester event in Rotherham and placed 1st for the first time at an Indoor event ! David also found himself shooting on the same boss as Olympian Amy Oliver.

Anyone entering external tournaments and who would like to see their efforts reported in a future Newsletter is encouraged to email details of their efforts to the Editor – or even better, a copy of the Results List – as some clubs are not particularly timely with posting tournament results on their websites and your honourable Editor, as diligent as he is, does not have enough time to trawl the Internet to see what you've been up to.

Those interested in entering tournaments can find listings in the following places;

- | | |
|----------------------------------|---|
| Club Website | Listing tournaments within about an hour's drive of Up Yonder – see http://www.cleavearchers.co.uk/index.php?page=local-tournament-viewer |
| Archery UK Magazine | Published quarterly (Spring, Summer, Autumn, Winter) listing all tournaments within the UK |
| Archery GB's website | As per the magazine but updated more often (roughly monthly) - http://www.archerygb.org/shoot-compete/compete/find-a-tournament/ |
| Brighton Bowmen's website | Listing lots of national tournaments: http://www.brightonbowmen.org.uk/archery-tournaments |

Dates for next year's Club Tournaments

There have been some changes from the last newsletter to the dates for the club's three open tournaments for 2018, so please correct your diaries !

- Spring Tournament** 21st and 22nd April (not the 28th/29th). The rounds are the same, being on the first day a double 720 round (i.e. WA 70m, WA 60m and WA 50m rounds) and on the second day will be the traditional York, Hereford and Bristol rounds.
- Summer Tournament** 21st and 22nd July (not the 14th/15th). The first day will be a 720 ranking round followed by Olympic-style Head-to-Heads. The second day will be WA 1440 and Metric rounds.
- Junior Tournament** 2nd June. The new Tournament Organiser has now done the paperwork and this date is confirmed ! Rounds are the Windsor-family of rounds as previous years.

The entry form for the Spring tournament is available via the club's website (<http://clevearchers.co.uk/cleve-tournaments/>). Entry forms for the Summer and Junior Open tournaments should be available by the end of January.

Please do your best to support all three of your club's tournaments, whether by shooting or helping out !

Club medals for largest handicap reduction

The official end of the Outdoor season is the 31st December and at the end of the year, the club awards a couple of medals (on behalf of Archery GB) for the highest handicap reduction during the year – one for the Seniors and one for the Juniors. However, the medals are awarded to the archers with the highest handicap reductions AND who have shot 8 or more formal rounds so they may not get awarded to the archers with just the highest handicap reductions. The winners of the medals this year are **Josh Smith** for the Juniors and **Alec Thomas** for the Seniors. "Well Done" to you both.

Junior Indoor Leagues

The latest set of results for the Perris Indoor League (from December) show Cleve's Recurve A Team is tied in first place with Deer Park but marginally ahead having scored 11 more points so far (2474 vs 2463) and the Recurve B Team in 2nd place in Division 6. Our Compound Team lies in 4th place in the single Compound Division. Full results including individual performances at:

<http://onlinearcheryequipment.co.uk/perris-indoor-junior-league-25-w.asp>

In the regional (GWAS) postal league, the scores after November show that our U12, U14 and U16 teams are all placed 1st. Individually, **Josh Elgood** (Mixed U18 longbow), **Anna Perkins** (Girls U16 recurve), **Josh Smith** (Boys U16 recurve), **Jasmin Williams** (Mixed U16 compound), **Ella Shield** (Girls U14 recurve), **Marco Costanza** (Boys U14 recurve), **Maja Kliczka** (Girls U12 recurve), **Will Hardy** (Boys U12 recurve) and **Jakub Jarmal** (Boys U10 recurve) are all leading their individual sections.

The months of December and January are treated as one month for the GWAS postal league so no further updates from that league until mid February.
